

You could receive one of Henry's beautiful wooden pens just for making a donation.

Our friend, Henry Bierenfeld, gave us these gorgeous pens to encourage people who care about Southern forests to support Dogwood Alliance.

From now till the end of 2008 everyone who donates will be entered into a drawing to receive one of these beautifully crafted writing instruments.

Each pen was hand-turned on a wood lathe from a solid peice of wood with the grain oriented to match between the two barrels of the pen. The pen mechanism is coated with a durable 24 karak gold alloy plating and uses readily available ink refills keeping more pens out of our landfills.

Donate now to support the only organization in the South holding companies accountable for the impacts of their business practices on our forests and communities.
